

## INVITATION: AUSTRIAN HEARTBEATS AT ESNS17

January 10, 2017

Dear friends and colleagues,

Eurosonic Noorderslag Festival 2017 is just around the corner! This year, Austria will be represented by SALUTE, INNER TONGUE, WANDL, FAREWELL DEAR GHOST and MOTHER`S CAKE. In addition, FILOUS was announced as a winner of the 2017 European Border Breakers Awards (EBBA), the European music awards for emerging artists.

Join the Austrian delegates for a Networking Breakfast on Friday, January 13, hosted by Advantage Austria: We'll present the framework of our upcoming biennial focus on the Ex-Yugoslavian countries in 2017-2018 and especially invite people from this region to work with us on collaboration ideas and joint projects. Of course delegates from other countries are also very welcome to meet with the Austrian professionals in other matters!
