ANKATHIE KOI is a radical performer, living and loving the hedonism and glamour of the 80ies, while the Upper Austrian singer-songwriter **AVEC** writes mystically beautiful and moving pop songs. The duo **CARI CARI** - aptly named the "lovechild of The XX and The Kills" (IndieShuffle) „with a pinch of Morricone“ (Radio FM4) - will perform twice in Groningen.

HEARTS HEARTS create beautiful, heart-wrenching indietronica and are working on the follow-up to Young (2016), described as „one of the most arresting debuts in recent years“ by Drowned In Sound. **NIHILS** mix electronic depth, bold hooks and melodic vocals to create their infectious take on electronic pop music, whereas **THIRSTY EYES** bring rough and unpolished rock´n´roll to the Netherlands.

Also don't miss: CEEntral Party at ESNS18 on Friday January 19, 17.00 - 20.00, OOST (Oosterstraat 13A)!

Enjoy the festival and see you in Groningen!
