

AUSTRIAN HEARTBEATS AT MENT LJUBLJANA 2018: MAVI PHOENIX, WANDL, 5KHD & MORE

January 24, 2018

Dear friends and colleagues,

we're back from Eurosonic and soon off to the next festival - MENT Ljubljana 2018 is just around the corner! Meet the Austrian live industry at a dedicated Speed Networking and join the Austrian delegation at the Austrian Heartbeats Networking Reception on Thursday, Feb 1. Get to know more about theremin player Dorit Chrysler in a Keynote Interview and enjoy the concerts of five outstanding Austrian artists: 5K HD, DORIT CHRYSLER, WANDL, MOTHER'S CAKE and MAVI PHOENIX.

5K HD - featuring members of Kompost 3 and Mira Lu Kovacs - combines jazz, sound experiments, pop, and cinematic surprises, whereas vocalist and theremin player Dorit Chrysler creates music somewhere between seductive pop and experimental music. Mavi Phoenix, described by "The Fader" as a "Lo-fi pop heroine", moves fluidly between rap, r'n'b and contemporary pop. Wandl is probably one of the most progressive and interesting European producers at the moment, perfecting his personal vision of brainfeeder-nerdism and state of the art bedroom-soul. Last but not least, Tyrolean progressive rock band Mother's Cake like it loud, powerful, edgy and psychedelic.
