

VIVA SOUNDS 2019:

Spotlight on Austria w/ DIVES, LEA SANTEE, PARASOL CARAVAN

Swedish festival **VIVA SOUNDS** is gearing up for its third edition, taking place in Gothenburg on Dec 6-7 2019. The goal of the festival is once more to bring a relevant club festival and music conference in the Western part of Sweden. The festival features new and exciting artists as well as an international conference focused on what's going on in the music industry.

This year, VIVA SOUNDS has formed a special partnership with Austria. An Austrian delegation and three rising Austrian acts will be visiting the festival in Gothenburg. The line-up features the surf-inspired indie trio **DIVES**, promising electro-pop duo **LEA SANTEE**, and stoner rock band **PARASOL CARAVAN**. The festival will also feature a "Spotlight on Austria" with dedicated networking opportunities and panels to meet the Austrian delegation.
